Thanks for these Michelle! We're going to look into this more but likely will request either to resend the checks or to use pay.gov if possible. I wish I could be more helpful in the processing of checks but our office can't accept them and I have no clue how the processing office is functioning right now with COVID.

Do you also have the Fee Filing Form's? Sometimes we can look up facilities information better with the emissions forms that you submit with these.

Thank you,

Colin,

I was able to speak to our accounting folks and it looks like the check from last year was voided in October of 2020 after not having been cashed for 6 months.

Thanks,
